Declaration of usage rights for theses¹

Mr/Mrs _____ is a student of the faculty 5
(Geosciences) at the University of Bremen and is writing his/her final thesis in this field:
_____. As the author, the student has the copyright on the thesis he/she
has written.

In this context, the University of Bremen provides infrastructure and/or confidential information
that can be used in the thesis. In order to enable the University of Bremen to use the results of
the final thesis in the field of geosciences, declares

Mr/Mrs _____ grants the University of Bremen the

- simple²,
 exclusive³,

transferable right, unlimited in time and free of charge, to use the contents of the final thesis with
the prospective title:

”_____“

in the context of research and teaching. This also includes the use in third-party funded
projects.

The granting of rights of use includes the use of the entire work. The data provided by the
University of Bremen for the preparation of the thesis or the data collected in the thesis project at
the University of Bremen remain the property of the University of Bremen.

In using the contents of the thesis, the principles of best scientific practice are observed.

Bremen, _____

Bremen, _____

Author of the work

1. Examiner

¹ Resolution of all examination boards of department 5 on 28.11.2013

² The author can also use the work to its full extent.

³ The use of the work is fully subject to the University of Bremen. The author no longer has any rights of
use.
