Notes on the official declarations

1. The following page with the official declarations

A) Declaration of independent study

B) Declaration of availability to the public of Bachelor's or Master's theses

C) Declaration of consent to the provision and use of the Bachelor's / Master's thesis in electronic form for checking by plagiarism software

must either be included directly in each copy of the Bachelor's or Master's thesis or included unchanged in the wording in each copy of the Bachelor's or Master's thesis.

Please make sure to sign each declaration in all three copies of the thesis.

2. The signature may be omitted in the digital version. However, the information and decisions must be included.

On B)

Consent can be revoked at any time with effect for the future by making a declaration to the University of Bremen.

On C)

Consent to the permanent storage of the text is voluntary.

Consent can be revoked at any time with effect for the future by submitting a declaration to the University of Bremen.

Further information on checking written work using the plagiarism software can be found in the usage and data privacy concept. This can be found on the website of the University of Bremen.

Einverständniserklärung (Seite 2)

Declaration of consent (page 2)

A) Declaration of independent study (please mark if applicable)

I hereby declare that I have written this thesis independent and have not used any sources or tools other than those indicated. All parts of my work that have been taken verbatim or in spirit from other works have been identified with the source. The same applies to drawings, sketches, pictorial representations and sources from the Internet, including AI-based applications or tools. The work has not yet been submitted in the same or a similar form as an examination paper. The electronic version of the thesis is identical to the printed version. I am aware that untruthful statements will be treated as cheating.

- I have used AI-based applications and/or tools and documented these in the appendix "Use of AI-based applications".

B) Declaration on the availability to the public of Bachelor's or Master's theses (please mark if applicable)

The thesis is offered to the University of Bremen archive for permanent archiving two years after graduation. The following are archived:

- 1) Master's theses with a local or regional reference as well as 10% of all final theses per subject and academic year
- 2) Bachelor's theses of the first and last Bachelor's degree per subject and year.

- I agree that my thesis may be viewed by third parties in the university archive for academic purposes.
- I agree that my thesis may be viewed by third parties in the university archives for academic purposes after 30 years (in accordance with §7 para. 2 BremArchivG).
- I do not agree that my thesis may be viewed by third parties in the university archive for academic purposes.

C) Declaration of consent to the provision and use of the Bachelor's / Master's thesis in electronic form for checking by plagiarism software (please mark if applicable)

In accordance with Section 18 of the General Part of the Bachelor's and Master's Examination Regulations of the University of Bremen, submitted work can be checked for plagiarism using qualified software. For the purpose of checking for plagiarism, the work is uploaded to the server of the plagiarism software currently used by the University of Bremen.

- I agree that the work submitted and written by me may be stored permanently on the external server of the plagiarism software currently used by the University of Bremen, in an institution's own library (access only by the University of Bremen) for the above-mentioned purpose.
- I do not agree that the work submitted and written by me may be permanently stored on the external server of the plagiarism software currently used by the University of Bremen, in an institution's own library (access only by the University of Bremen) for the above-mentioned purpose.

By signing below, I confirm that I have read and understood the above declarations and confirm the accuracy of the information provided.
