## Features

To change the language, use **EN** for English and **DE** for German on the right at the top of the page.

Via Student's data you get an overview of your personal data and your study progress.

Via **Exm (De-)Registration** you can register for your exams. Therefore, enter the *abbrevation or name of modules* or search for it via the panels below.

#### modules - examination subjects - pre selection

step 1 of 4: choose the examination subject, in which you want to (un)subscribe for

degree program Master Materials Chemistry and Mineralogy

<sup>⊡</sup>Pflichtmodule - MPO 2012 (MPO 2012)

<sup>\_\_\_\_</sup>Pflichtmodule (0 of 7 selected)

Analytical Methods I - MPO 2012

If you have clicked on the course, the exam will appear under *exams*. Then, click *Selection into basket*.

step 2 of 4: in order to move the chose examination subject into the basket, select a date. The actual subscription takes place in the next step.

examination subject: Pflichtmodule - Analytical Methods I - MPO 2012

Exam: WiSe 18/19	- 1. Termin - Prüfungsleistung		
Person responsible	for the grades (not necessarily the	e same as the lecturer)::	
(Prüfungsleistung)			
Dr. Michael Wends	chuh 🗸		

In the next step, you can check your selection and have the possibility to *remove from basket*.

In the last step, first click on *get TAN number* (1) and enter the correct TAN from your TANlist (2) for the number shown on the left. Then, click *Send* (3).

step 4 of 4: Click "send" for a definitive (un)subscription of your chosen examination subjects.

Via **Course** you can register on Stud.IP, which will be opened on a new page.

Via **Dates** you find the dates for the registration and deregistration for all exams. Therefore chose the course of studies and modules using the plus in front of it.

Via **Data Sheet** you can create the list with your results of the examination. Therefore, click *create* (1) and open the *link* (2). With the function *comment*, you can make a note, which will only appear on the right under *note* but not in the Data Sheet itself.

expiration date	13.02.2019
